"It's that Time Again to March on Washington"

SFSPac Joins School Nutrition Association in Lobbying Congress

Next week 30 members of our SFSPac Food Service Team will make their annual march to Washington, DC to join a thousand Food Service Directors lobbying Congress for new legislation and financial support. This annual event is called the Legislative Action Conference (LAC) and is a wonderful experience of democracy in action. SNA Executive Director, Barbara Belmont and her staff have done an outstanding job organizing this conference to maximize the legislative experience for all attendees.

Attendees will gain firsthand knowledge of the inner workings of the democratic process, as they learn about the issues facing school nutrition programs. They will visit Capitol Hill, where they can let members of Congress know their priorities as a child nutrition experts. They will hear updates from representatives of the U.S. Department of Agriculture, as well as political insights from Washington insiders, including Amy Walter, one of the nation's top political forecasters.

Congratulations Chuck Ainsworth
